Mono Slab®EZ Form is a patent form for frost protected shallow foundations. These forms are for residential and commercial applications. Mono Slab®EZ Form provides a minimum R10 and up to a median R60 depending upon the size of the form. Mono Slab®EZ Form allows you to form, insulate and backfill all before concrete placement. Mono Slab®EZ Form is simple, easy to use and provides a superior process compared to traditional forming insulating methods.

#### WHEN TO USE

- Residential & Commercial
- Slab on grade
- Replace traditional footer & short footer & stem wall
- Trench footer & slab
- Grade beam
- Frost protected shallow foundations
- When digging is undesirable
- In unstable and wet conditions
- Eliminating multiple step process of footer, wall and floor
